

2011 TCKC Clone Claim Rule

For the 2011 competition, the Tri City Kart Club will be enacting a claim rule for the Clone Class.

The rules for this Claim will cover the main event-winning engine at each TCKC point's race, with one exception:

The **Club** has the right to claim/buy **ANY** engine in the clone class after the main event of that day.

The ability to claim an engine is based on:

1. Finishing position
2. Must be a paid club member in good standing.

Claiming an engine:

1. 2nd place will have first right to claim the winning engine.
2. If 2nd does not choose to claim the winner, 3rd will have the next option
3. 4th place will have the next option if previous declines
4. 5th will have the last option if previous declines
5. There will be no ability to claim beyond the 5th place finisher.

The claim fee is \$150.00

The claimer will get:

1. The basic engine as raced

They will not receive:

1. The pipe and muffler
2. Clutch
3. Clutch guard
4. Top plate
5. Throttle linkage kit
6. Fuel pump
7. Main jet
8. The air filter and adapter
9. Flywheel if it is billet. (highly recommended)

Refusing to cooperate with the claiming process will result in immediate disqualification for the remainder of the year along with forfeiture of all points.
